ATV Safety disclaimer John Deere Utility ATV's are for use only by those aged 16 and older. Users should however, respect any applicable law establishing a higher minimum age for operating an ATV. John Deere highly recommends that all ATV operators take a training course. Contact your local John Deere dealer for safety and training information or contact the Canada Safety Council at 1-613-739-1535. ATV's can be hazardous to operate. For your safety: always wear a helmet, eye protection, and other protective clothing; always remember that alcohol/drugs and the operation of an ATV do not mix; never operate on paved surfaces or public roads; never carry passengers; never attempt stunts with ATV; avoid excessive speeds; and particularly careful with difficult terrain. **XUV Safety** Before operating or riding, always refer to the safety and operating information on the vehicle, and in the operator's manual.

**Manufacturer's suggested price does not include taxes, freight, setup, delivery, and optional accessories or attachments. Models and equipment availability vary by dealer and region. See Dealer for availability, details, and final price.
